

Gianna's JAVA & GELATO

presents

Dr. Gianna Emanuela Molla **Daughter of St. Gianna Beretta Molla** Thursday, April 12th, 4:00 PM-7:00 PM

St. Gianna discovered a tumor on her uterus while pregnant with Gianna Emanuela. Rather than taking the life of her unborn child, St. Gianna continued the pregnancy knowing she was risking her own life to save her child. St. Gianna died one week after giving birth to Gianna Emanuela.

Dr. Gianna Emanuela will be available for a meet and greet at Gianna's Java & Gelato, 2241 O Street, on Thursday, April 12th from 4:00 PM-7:00 PM. Come meet Dr. Gianna Emanuela and enjoy our genuine gelato!
