What is AmazonSmile?

AmazonSmile is a website operated by Amazon that lets customers enjoy the same wide selection of products, low prices, and convenient shopping features as on Amazon.com. The difference is that when customers shop on AmazonSmile (smile.amazon.com), the AmazonSmile Foundation will donate 0.5% of the price of eligible purchases to the charitable organizations selected by customers.

How does AmazonSmile work?

When first visiting AmazonSmile, customers are prompted to select a charitable organization from over one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization.

How does my organization receive the donations?

Each quarter, the AmazonSmile Foundation makes donations to eligible charitable organizations by electronic funds transfer. Donations will be transferred approximately 45 days after the end of each calendar quarter. To account for Product returns, a portion of the quarterly donations will be withheld until the next donation cycle, subject to any reduction due to returns from prior quarters. See the AmazonSmile Participation Agreement for more details.

Is there any cost to charitable organizations or to customers?

No. There is no cost to charitable organizations or to AmazonSmile customers. The shopping experience is identical to Amazon.com with the added benefit that the AmazonSmile Foundation will donate to the charitable organizations selected by customers.

Do you charge any administrative fees or take any deduction from the donation amount?

No. Charities must register to receive donations and have a valid bank account to which we can route donations. But there is no charge to participate and we do not deduct any fees from the donation amount.

How much of the customers' purchase price does Amazon donate?

The AmazonSmile Foundation will donate 0.5% of the purchase price from customers' eligible AmazonSmile purchases to the charitable organizations they select. The purchase price for each item is the sale price, excluding shipping, handling, and gift-wrapping fees, taxes, and service charges, and less any rebates, returns, and bad debt. Certain items are not eligible for and will not result in donations.

What purchases are eligible for donations?

Tens of millions of products on AmazonSmile are eligible for donations. You will see eligible products marked "Eligible for AmazonSmile donation" on their product detail pages. Recurring Subscribe-and-Save purchases and subscription renewals are not currently eligible. For more information, see Qualifying Purchases in the AmazonSmile Participation Agreement.

Will you share with my organization information about the AmazonSmile Customers who have selected to support my organization?

No. Amazon will not share individual customer information with you regarding customers who have selected to support your organization. Please see the Amazon.com Privacy Notice for more information.
